

MY GRANDPA GAVE ME A HAMMER

My Grandpa gave me a hammer
My Grandpa gave me a hammer
He's had it ever since he was young
I'll build me a house and when I'm done
Someday I'll give it to my own grandson
My Grandpa gave me a hammer

My Mom gave me her smile
My Mom gave me her smile
When I look in the mirror, I can see
My Mom's smile looking right back at me
I'm gonna share it with everyone I meet
My Mom gave me her smile

My best friend gave me a frog
My best friend gave me a frog
He found it in the muddy old creek down there
I think I'll put it in my sister's hair
I might get in trouble, but I don't care
My best friend gave me a frog

My teacher gave me an A
My teacher gave me an A
I studied really hard all night long
I didn't get a single question wrong
Can't wait to show my folks when I get home
My teacher gave me an A

My dog gave me a lick
My dog gave me a lick
A big wet lick right on my nose
It was slimy and a little bit gross
I don't really mind cause I love him so
My dog gave me a lick
