REFERENCE QUOTES

"Steve Weeks put on an amazing show at our children's museum! For any parents out there with young kids, this is a must see performance! We had a line waiting to get into the theatre for both shows. Steve's ability to make his own music, sing and interact with the kids is incredible. Each song has its own unique style and a different way of getting the kids and parents involved in the song. His passion for his music and for kids is evident every time he sings. All songs have a fun story, are upbeat and have a catchy tune that kept some of our staff singing the rest of the day. We cannot wait to have him back!"

Jill Franz

Director of Development
The Iowa Children's Museum

"Steve Weeks is a very professional, easy to work with performer. He contacted me two weeks prior to the program and even provided a copy of a coloring sheet we could hand out to the kids after the performance. His performance was engaging and high-energy, and the songs are so well written that they are enjoyable for not only kids but also the adults. Everyone had a blast and we would love to have him visit us at the Owasso Library again!"

Jennifer McQuade, MLIS

Youth Librarian
Owasso Branch Library, Tulsa OK

"Steve Weeks' Music was a fun act. The toddler-range seemed to love dancing and jumping around to the music. I even enjoyed doing the special dances myself! The Family Dance was especially sweet to watch. The performer was very talented at guitar and was a great singer. I love his Elvis impression. For the grand finale, he sang a great song for us about friendship. Thank you Steve Weeks' Music!"

Vera, Age 11 (Ft. Collins, CO)

"Steve's performance was truly a one of a kind delight that you DON'T want to miss! He has such a gift of engaging and captivating his entire audience with his musical and comedic talents!"

"Steve came all the way to the Children's Museum of Winston-Salem in North Carolina and we couldn't thank him enough. The crowd was bouncing, twirling and swirling from start to finish!"

Christine Simonson

"Steve kept the kids giggling and wiggling during the entire show. It was like playing set to music! Engaging and entertaining fun for all ages. Summer is a hectic time at our busy public library and planning our programming for our Summer Reading Challenge is a big undertaking. I greatly appreciated Steve's quick and courteous responses when booking his performance. The morning of the show he arrived early, set up, and then took down his own equipment-all I had to do was sit back and enjoy the show!"
